is a family park, situated a short walk from Skegness beach and its town centre. Set back from the road, it is possible to enjoy a quiet, relaxing seaside break, or to participate in a more active holiday.

An on-site licensed club, with family area and café is open to all. We also have play areas for children and a launderette on-site to help you get all that sand out of your clothes! We have Minigolf, a 9-hole Pitch & Putt golf course, and grass tennis courts (weather permitting) for youngsters under parental supervision. For the more accomplished golfer, there is an 18-hole course at the neighbouring Golf Club.

See our website for more information and photos
